APPLICATIONS BUILT

Top Shelf Crusaders

- Application Program Interface (API) and JavaScript library powered recipe application that provides a number of recipes and nutritional information based on the ingredients a user inputs.

Perfect Fit Autism Spectrum Disorder Resources

- Perfect Fit is near and dear to my heart! This site was created from sheer desperation of a more personal experience for families and individuals searching for resources for their loved ones. This site aims to bring a community together that sometimes could appear to be isolating and intimidating. Upon completion families will have list of resources and a solid community aimed at easing the load.
